“Let them give thanks to the Lord for His unfailing love and His wonderful deeds for men, for He satisfies the thirsty and fills the hungry with good things.” Psalm 107:8-9

Many people today suffer from an inward famine. They spend their lives seeking to quench their thirst and fill their empty souls with things that do not satisfy. At the end of their search, they are still spiritually starved.

What man needs, only God can supply. He is the One who gives the spiritual drink and food that quenches our thirst and fills our bellies. Only God's love can bring peace in knowing there is nothing we can do to make Him love us more or less.

Have you ever felt that inward famine? The stuff the world offers you leaves you hungry and searching for more, something that truly satisfies. May you find in Jesus the spiritual food and drink you have craved all along. Come to Jesus as your Savior and Lord. Through Him, we can “give thanks to the Lord for His unfailing love and His wonderful deeds.”

Giving Thanks to the Lord
